REGION 10 HORSE JUDGING CLINIC

A VIEW FROM CENTER RING

Date: Saturday, February 4, 2017

Time: 1:00 PM

Location: Hesten Park

18400 Clayton Avenue Hastings, MN 55033

Are you interested in what the view is like from center ring? What do judges look for in each class? How do they look at each horse? This will be a great opportunity to learn what a judge is looking at in Arabian & Half Arabian Halter, Western, English, Hunter Pleasure and Equitation classes. Learn from professional Arabian horseman Larry Hoffman, international Arabian judge Van Jacobsen, and USEF 'r' Arabian Judge Hillary Hoffman. What will be covered:

- Class specification review for performance & halter divisions
- Review of Arabian equitation manual and proper positioning
- How to look at a performance & halter horse and equitation riders from a judges perspective
- Key terms to use when judging Arabians vs. Stock Horse breeds
- Tips for staying organized while judging
- Additional resources for further education

Everyone is welcome, but this will be a particularly good event for anyone interested in being on a 4H/FFA, AHA or Collegiate judging team. You will gain knowledge and confidence as you learn key terms and class specifications from one of the best trainers in the industry!

If you want to familiarize yourself with judging contests ahead of time, please view the links on the AHA website at <https://www.arabianhorses.org/youth/resources/>

If you plan on attending the Region 10 Judging Contest at Conway Arabians on April 1st, you won't want to miss this opportunity.
