

Spring 2022

Hello from Region 10!

The Region 10 Delegates and Region 10 Championship Show Committee are inviting you to participate in our upcoming Region 10 Pre-show and Championship, June 8-12 at the MN State Fairgrounds in St. Paul. Along with supporting the show as an exhibitor, there are opportunities to volunteer and, more specifically to this invitation, to be a patron or class sponsor.

The accompanying Patron/Sponsorship form contains the details of each level of patron/sponsorship support for our regional championship. Have your farm, horse/rider, family, or business listed as a patron or sponsor! We greatly appreciate your support in making each of these events successful for our exhibitors!

If you have questions about being a patron or sponsor, or about the show in general, feel free to contact Doug Stegenga or any of the show committee members listed below.

Sincerely,

Mary Smith, Region 10 Director
