

## Volunteer incentives: swag bag, daily prizes, grand prize

**New** this year for our pre-show and Regional Championship volunteers are swag bags and chances to win daily prizes and a grand prize—all totaling more than \$600.

Here's how it works:

**Daily prizes:** For every shift you volunteer, you will receive a swag bag that includes a daily drawing ticket for a \$25 gift card. Turn in your completed ticket following your shift and you're eligible to win. Volunteer multiple times per day for greater odds of winning.

**Grand prize:** Volunteers who complete a shift are also eligible to win a free stall at the 2023 Region 10 Championship show or a gift card of equal value. Volunteer multiple times throughout the show for greater odds of winning.

Another way we'll show appreciation for our volunteers is to announce their names during each session of the show. So grab a friend and volunteer!
